2. The Auctioneer reserves the right to accept or reject any bid and shall control the bidding at all times and in all cases of dispute the Auctioneer's decision will be final.

3. Terms are cash or equivalent on the sale day and nothing is to be removed until paid for. Bids left online or through any other means of absentee bidding will be processed according to the credit card information provided at the time of bidding. If alternate payment arrangements are desired this must be made explicit to Hall's Auction Services Ltd. at the time of bidding.

4. All items are sold on an as-is-where-is basis and no guarantee expressed or implied is given as to their condition or suitability for any purpose, and lie at the purchaser's risk immediately.

5. All parties bidding at the sale shall be held to have informed themselves as to the condition, identity, and authenticity of lots, and shall not be entitled to make any objections after the sale on any grounds whatsoever. Any representation in statement by Hall's Auction Services Ltd. in any catalogue, as to authorship, attribution, genuineness, origin, age, date, provenance, condition, or estimated selling price, is a statement of opinion only.

6. Unless with prior agreement from the Auctioneer himself, all lots are to be removed from the premises immediately after the sale. All lots not removed immediately after the sale will be resold either by public auction or private treaty or sale, and without any further notice, either verbal, or in writing to the purchaser, who shall make good any deficiencies or commission arising thereon. Lots purchased but not picked up within one week of the auction will be subject to storage charges of \$10 per item per week (or portion thereof) without exception.

7. All lots are sold as shown, with all faults, imperfections, and errors of description. Neither Hall's Auction Services Ltd. nor the seller are responsible for errors of descriptions or for genuineness of authenticity or any faults or defect in it, however caused.

It is the Buyer's responsibility to verify whether this restriction applies to their purchases prior to bidding. No sale shall be rescinded if the Buyer is remiss in this regard. You must ensure that you have reviewed your country's laws before you purchase or ship any works made from, or containing parts made from, these restricted materials. It is your responsibility to obtain necessary permits. We encourage you to visit the CITES website [www.cites.org](http://www.cites.org)

9. All matters of dispute must be immediately submitted to the Auctioneer, whose decision in all cases is final.

10. The above conditions and notices, descriptions, statements, and other matters in the catalogue and elsewhere concerning any lot are subject to any statement modifying or affecting the same made by the Auctioneer from the rostrum prior to any bid being accepted for the lot.

The Auctioneer may execute bids on behalf of the consignor to protect the reserve, if applicable. The Auctioneer, at his discretion, may not sell consignments on unreserved items, if, in his judgment, the highest offer is at a level that could be considered injurious to the consignor.
