5. Online auctions begin and end at a predetermined date and time. If an item receives a bid during the final two minutes of the count-down clock there will be an automatic bidding extension: the bidding clock will be extended by two minutes - for that item alone. The time extensions continue until there is a two-minute period during which no bidding takes place on the lot.

Hall's Auction Services Ltd. reserve the right to ensure verified funds for all out-of-country purchases prior to releasing any good for shipment.

8. In the event of any dispute between bidders or in the event of doubt on the Auctioneer's part as to the validity of any bid, the Auctioneer retains the final discretion to determine the successful bidder, cancel the sale, or to re-offer and re-sell the article in dispute. If any dispute arises after the sale, our sales record is conclusive.

The buyer will comply with all laws, statutes, ordinances and regulations regarding bidding, purchase and transport of lots. The amount and/or type of alcoholic beverages purchased and taken into another province, state or country may be limited or entirely prohibited.
